B: Enrolment - Prior to Arrival

B1: Parents or their agents MUST supply the School with all the relevant information required for each student. This information includes:

- parental consent forms
- online test submissions
- age
- gender
- special dietary requirements, including details of any allergies and intolerances
- special medical requirements, including any special needs provision

Failure to provide accurate or incomplete information may cause unnecessary disruption to the planning of classes, activities and/or accommodation.

B2: Broadstairs English Centre Undertakings. The School will use the information supplied by the group to plan classes, activities and accommodation.

B2.1: Classes are planned taking into account:

- student ages
- student levels
- types of courses booked

B2.1.1: Ages

Students booked on junior courses must be under-18 years of age.

In classes, British Council regulations state that students under the age of 16 must not be classed with students who are 18 years of age or older.

B2.1.2: Levels

Student levels will be determined using the School’s placement test. Classes are built using the data collected from the placement test. Maximum class

size is usually 16. However, the School reserves the right to exercise its discretion with numbers that are slightly over “ratio”: i.e. 17 students may be placed in one class.

B2.1.3: Types of courses booked

The mixing of nationalities in classes may be requested, but cannot be guaranteed. Factors that may allow for but may also block mixing of nationalities include:

- which other group(s)/ individuals is/are booked at the same period
- the type of course(s) booked by the groups or individuals at the time
- the ages and levels of the students in question

The School runs classes both in the mornings and the afternoons. The distribution of classes is shown on the activity programme allocated to each student. The number of classes in the course is set out in the initial booking proposal.

B2.2: Activities are planned taking into account student ages and the types of courses booked. The School runs activities in the mornings, afternoons and evenings and at the weekends. The distribution of activities is shown on the activity programme allocated to each student. The number and type of activities in the programme is set out in the initial booking proposal.

B2.3: Accommodation is either with homestay providers or in the School’s residence.

B2.3.1: Students are accommodated in homestay accommodation taking into account:

- student ages
- student genders
- special dietary requirements
- special medical requirements
- requests and preferences

British Council regulations state that:

- no more than four students may be accommodated in the same homestay accommodation at the same time

- no more than two students will be housed in the same room, unless agreed in writing by the School and the parent/guardian/agent (on behalf of the students concerned) (If you have requested students to be in groups of 3, please be aware that they may all be housed in one room.)

The School will not place students of different genders in the same homestay accommodation. The School will take all reasonable steps to assure that special dietary and medical requirements are catered for in homestay accommodation. It is the responsibility of the parent/guardian/agent to provide full details of any such requirements well in advance of the individual's arrival. Information must be given to the Enrolment Officer at least **one month before the date of arrival**.

Students who require self-administered injections must bring their own sharps box for safe storage and disposal of used needles.

Students will not be given any medication by School staff or homestay providers.

Parents who wish their child to be given medication whilst at the School must provide a written statement requesting this provision and detailing the exact procedures to be followed.

In the case of emergencies, the School understands that parents give their consent for emergency treatment to be given at the discretion of the School. IF PARENTS DO NOT WISH TO GIVE THEIR CONSENT FOR EMERGENCY MEDICAL TREATMENT TO BE GIVEN, THEY MUST INFORM THE SCHOOL IN WRITING PRIOR TO THEIR CHILD'S ARRIVAL AT THE SCHOOL.

The Accommodation Department will take requests and preferences into account, but cannot guarantee that any requests or preferences that are outside of the general terms of the booking agreement or proposal will be met.

B2.3.2: Students are accommodated in the School residence taking into account the same basic factors as with homestay accommodation. Students of different genders are housed on different floors within the School residence and students of different genders are not allowed to enter the dormitories of the opposite sex. The School provides at least one full-time member of staff as a supervisor when the residence is in use.

A damages deposit of £100 will be required by each individual staying in the residence. A damage check will be carried out by a member of BEC staff on the first day of the individual's stay and again on the last day. Any damages caused by students must be paid for. The cost will be deducted from the deposit. Should the costs exceed the deposit, the balance must be paid before departure.

C: Complaints and Remedies

C1: Student complaints

If any student wishes to make a complaint, they should follow the School's Complaints Procedure. All students are given information about this

procedure as part of their welcome pack in their first lesson (or their induction in the case of courses without lessons).

C2: Broadstairs English Centre complaints

If the School finds the conduct of any student be unacceptable, they will follow the School's procedures with regard to student conduct. Students may be moved from a homestay provider to a different homestay provider, if the homestay provider is unhappy with the conduct of any of their guests.

If the School finds the conduct of any student to be either illegal, threatening or in some other way unacceptable, the School reserves the right to remove that student from the course. In such a situation, the parent/guardian/agent is responsible for arranging for the student to return home, at their own expense. No refund will be given if a student is asked to leave a course because of poor behaviour.

D: Refunds

The School does not give automatic refunds except in the following situations:

- where a student has failed to secure a study visa (proof of the application being denied must be provided)
- If a visa application is rejected and we receive written evidence at least 14 days prior to arrival, we will refund the fees received in full, less an administrative fee of £25. Where we receive this evidence, the refund will be paid to you within four weeks of your providing us with bank details and signed authorisation that the refund should be paid to that account. If written evidence of a refusal is received less than 14 days prior to arrival then the refund will be paid less the administrative fee and accommodation fees (£20/night for the duration of the course)

The School will consider discretionary refunds on a case by case basis in situations where students cannot attend courses for various reasons.

E: Insurance

Students strongly advised to ensure that they have adequate insurance for themselves and their possessions. Parents/guardians/agents should check whether or not they are eligible for free health care when visiting the UK. The School takes no responsibility for the loss of or damage to personal property while students are at the School. Broadstairs English Centre, its directors, employees, representatives, agents, homestay providers and sub-

contractors will not be liable for any sickness, injury or death of a student, any damage caused to a third party by a student or repatriation costs, except in the event of proven negligence or misconduct.

F: Promotional Activity

The School may from time to time use images taken on the School premises and during activities for promotional purpose
